

January 29, 2014

Dear Royal Ranger Parents,

I have attached a Medical Form, which needs to be filled out for 2014, and you will need to have it NOTARIZED. The Pen Florida District office requires that this form be notarized for all boys in our Outpost each new year. We will keep it on file to use for all future outings until this time next year. If we do not have your form on file, then your Ranger will not be allowed to go on any of the outings we have planned for this year. Please return your form no later than Wednesday February 19, 2014.

Additionally, for each of our Outpost outings, we require a signed Individual Permission Form which we usually attach to the Parent information letter that announces that outing. Both of these forms are available to print from our website: <http://www.trinityaglakeland.org/> Select the Church Ministries tab and then Royal Rangers.

We appreciate your support of the Trinity Christian Center Royal Ranger Outpost Program.

Sincerely,

Allan Rowland  
Senior Commander  
646-5155
